Abstract

This study aims to clarify the ideas posed by Dr. Olivier Le Deuff, a French researcher in information and communication sciences teaching at Bordeaux-Montaigne University and at IUT Bordeaux Montaigne. He is famous for his works on documentation and digital information. The Digital studies (Deuff, 2017) were his prime interest which can be also viewed through his works such as “Digital response: for network fencing masters”, “Digital humanities”, “The time of digital humanities”, and “Training in digital cultures. A new pedagogy for an information culture in the digital age”. Dr. Le Deuff works has also be extended to the research programs, and educational responsibilities.
