

Guidelines Attraction Tourism To Marvdasht
Fereydun Shabani ¹ Sakineh Karegar Shahrabadi ² Amir Sadeghi

Abstract

Tourism is the largest industry in the world today in terms of economic activity and as a generator of employment, and in such an important industry the potential for jobs is enormous, so the aim of this paper is to promote Marvdasht as a tourism destination for a variety of types of tourism. In terms of tourism attractions, this city is rich, unique, and contains a variety of attractions such as historical, cultural, ecotourism, and religious which are closely situated. The goal is to provide the best guidelines for tourism development to Marvdasht, in order to express the range of tourist attractions. Regarding the above, and consequently using these guidelines, the number and type of tourist should increase and the tourism industry will be broaden and more sustainable in the city of Marvdasht.
